

Reunited at Lifestyle Warragul

Pam Portieous (left) and Clare Vivian have become close and are both enjoying their new homes at Lifestyle Warragul.

Pam Portieous and Clare Vivian both moved to Lifestyle Warragul within a month of each other in 2011. The two soon discovered that they had far more than their new home in common.

When Pam first met Clare, she had mentioned that Clare looked familiar, having both assumed they had never met before. After they began talking, Pam and Clare discovered that they were born within an hour of one another on the 21st of July in 1942 both in Williamstown.

Both are members of the Lifestyle Warragul social committee and Landcare Group. Pam and Clare have become close and are both enjoying their brand new home and the wonderful resort facilities they have access to at Lifestyle Warragul.

and pool together. We have both settled into the community so well – we love it,” said Clare.

“As soon as I drove into Lifestyle Warragul, I knew that it was just what we had been looking for,” said Pam

Lifestyle Warragul is a resort community for independent and active people. Dael Perlov, Lifestyle Communities Director, knows how important a social and friendly community is.

“We see so many strong friendships forged at Lifestyle Warragul. It’s great to see everyone having fun together. The clubhouse, pool, gym and bowling green form the heart of the village to promote a social and active environment,” says Dael Perlov.

“So many of our Lifestylers comment that they engage in activities that they never even considered before. Many people that have made the move to Lifestyle love the fact that they maintain control and it has a very positive impact on their lives,” he added.

Lifestyle Warragul is located at 134 Warragul-Lardner Road, Warragul.
